### Proud of Derby

- Derby is home to the world's first factory built in 1721 and is still a world-leading place to make things. Innovation in manufacturing and engineering keeps growing here, with international names such as Rolls Royce born in Derby.
- Lara Croft: Tomb Raider, the hugely successful videogame series, was created in Derby by Core Design.
- Royal Crown Derby china was considered so fine it was chosen for the first-class passengers on the Titanic.
- Sat Bains, top British chef with two-Michelin stars, was born in Normanton, Derby and attended Derby College.
